## Tournament Greetings & Welcome

*It is with great pleasure I welcome everyone and congratulate you all for competing in the 28th Kempo Genbu Ryu Karate Championships-All Australia Karate Championships, Australia's major International Karate Championships.*

*I congratulate Peter Mylonas, Kancho as I know the true spirit of Budo is alive and well with him and you all.*

*I am happy I can attend this March 2024 again to witness Mylonas Kancho in his Dojo be part with you all today. I know his spirit and his love for Budo and with this I know you all reflect well to what Budo is about too.*

*Competition is strong, plus the life of a true Samurai and Budo-ka should be strong and more pleasant. So with this take the respect values and the spirit of the Samurai with you in honour and respect each other when you compete.*

*We all may come from different schools of Budo, we are one in the Spirit of Budo, learning from each other and training with each other.*

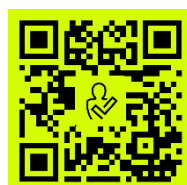

*Attitude and Ability are too different things, Attitude in Budo is very important and ability will come to you with constant practice. Be kind and be hard – train hard compete hard, however be soft with each other off the Mat. Budo and the life of Samurai is one of perfection; to push and work HARD. Never rest but be smart, train hard and help each other.*

*I look forward in seeing you in Japan this year and I look forward in one day sharing the Spirit of the Dojo with you all training hard and sharing together what true Budo is all about.*

*Keep supporting Peter Kancho with this event in Japan and we will do the same for you.*

*Congratulations on the 28th All-Australia Karate Championships Kempo Genbu Ryu.*

OSU!

# ようこそ

*On behalf of the whole of the Kempo Genbu Ryu International Organisation, I welcome you to our Annual event for the 28th year.*

*We are pleased to have you attending our Dojo tournament and we hope you enjoy the show of Budo (Warrior Spirit) amongst all styles of Martial arts you see here today, with our dojo representatives from Japan, Sri Lanka, Greece, India and Australia.*

*I welcome once again welcome my mentor and Big Brother Sosui Yoshiji Soeno, Head of The Shidokan and the Tiger of Kyokushin to Australia with his Japan team. We also welcome a great Kyoshi Ken Szeto of Seido Karate New Zealand to yet another event of Kempo Genbu Ryu they all honour Kempo Genbu Ryu as some done for over 27 years. Additional VIPs the Hon. Stephen Bali, State MP of Blacktown, Mt Robert Borsak MLC of the NSW Parliament and to our other VIPs Guests, Thank You for honouring us too with your presence.*

*BUDO (the Warrior Life) is why we host this event and as such we need to remember this whilst in any competition arena. With this I wish all the athletes today the very best in demonstrating their skill and their values.*

*As you all are aware the Martial Arts is far more than kicking and punching; it is all about the betterment of ourselves and the people around us.*

*So in stating this let us all, encourage and participate in the spirit of BUDO, to better the people around us today not only to achieve a placing rather the achieve a better self from today's experience.*

*I would like to thank all the students, families, and friends of Kempo Genbu Ryu for today's event, without your support our Dojo could not host such an event and share our Budo with you all. So thank you to our families and students including our friends from other Martial Art groups.*

*Today's event will allow the Top three (3) athletes to compete in the Shidokan All Japan Championships this coming October, 2024.*

*Finally, I dedicate this event to the memory of the late GREAT Hanshi John Taylor, my dear friend, my mentor, my role model, the man who first heard the name Kempo Ryu and promised me his support and friendship – a man I will always miss.*

*Thank you once again for your attendance and to our special officials of today.*

*Osu!*
